RE: QUOTATION FOR ELASTIK SUITE FOR PREMIUM HEALTH CARE LTD

Dear Sir,

We thank you for giving us the opportunity to send you our best proposal for **Elastik Suite** for Premium Health Care Ltd.

The Proposed Elastik Solution, designed, developed and maintained by VGR Solutions Ltd, has been built to suit the needs of SMEs in terms of functionality & affordability while still being an excellent fit for corporate & large companies.

We remain at your disposal for any query that you may have and look forward for a strong business collaboration in the near future.

Regards,

Ketan Gungah

As per our meeting, we have understood that you have a company dealing in Medical Supplies. Our Proposal is as per below:

1. Elastik EMS (Enterprise Management Solution)

a. Customer / Supplier Management

- Record your customer or supplier account details / Address / Phone Details / Email Address.

b. Items / Services Management

- Manage all your items with description on your ERP.
- Product Class & Categories.
- Define your pricing.
- Description of products / Medical Services.

c. Purchases / Sales Management

- Keep a good track in a continuous numbering of your purchases & invoices.
- Debit Note / Credit Note.

d. Stock & Inventory Management

- Manage your Medical Stock & Inventory at a real time.

e. Accounting Management

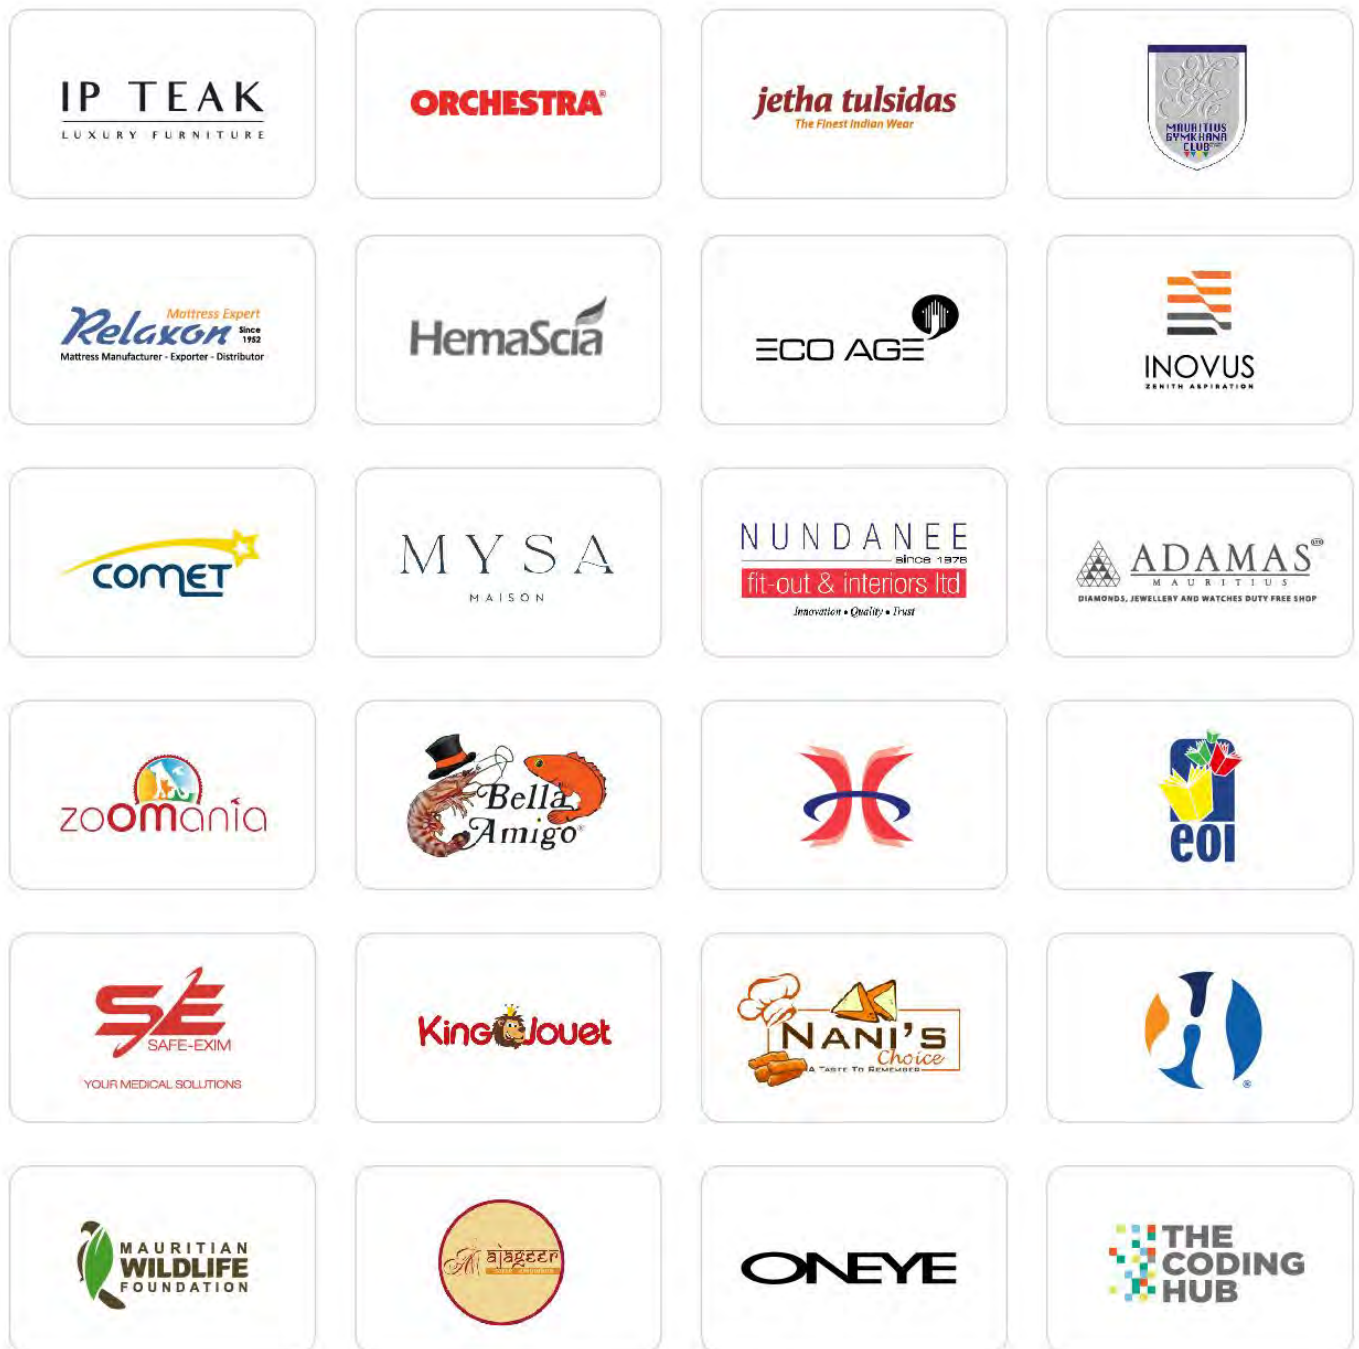

- Receive Payment, Advanced Payment Received / Made.
Deposit Received / Made, Banks & Bank Reconciliation,
Refunds, Account Journal Entry, Chart of Accounts, General Ledger.

f. Operational Modules + Reporting

- All reporting of the above including Accounting.

Few of our happy Customers
